

## Tiny Echoes

Joseph Arthur

Sometimes I feel like giving up  
Giving in to the dark  
Sometimes I feel like crying out  
Trying to speak from my heart

I wish you could hold me here  
Give a reason what's it's for  
I would try to become pure  
Tiny echo of the lord

Sometimes I feel like loving you  
Is all I have holding on  
Sometimes I feel like letting go  
It's a gift to be born

I wish you could hold me here  
Give a reason what it's for  
I would try to become pure  
Tiny echo of the lord
