

# You Are Free

Joseph Arthur

Time is moving on  
You and me  
You and me  
Suffering is gone  
You are free  
You are free

I know I let you down  
Those days are over now

I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who I thought I was

Time is moving on  
You and me  
You and me  
Suffering is gone  
You are free  
You are free

I know I let you down  
Those days are over now

I'm no longer who I was  
No longer who you thought I was  
I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who you thought I was

I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who I thought I was  
I'm no longer who I was  
No longer who you thought I was  
I'm no longer who I was  
No longer who I thought I was

I'm not afraid of nothing  
I'm not afraid of anyone  
I'm not afraid of losing myself  
There ain't no self to lose  
I'm not afraid of losing myself  
There ain't no self to lose  
I'm not afraid of losing myself  
There ain't no self to lose  
I'm not afraid

Time is moving on  
You and me  
You and me  
Suffering is done  
Let it be  
Let it be

When you feel you're strong  
You are free  
You are free
