

You Are The Dark

Joseph Arthur

I'm up all night
Against my will
My medicine
Won't let me feel
Anything at all

The doctor gave me sleeping pills
And i took one
Then i feel all alone
Sleeping like a stone

And babe
You were the light
But now
You are the dark

But dream about the autumn leaves
And you were one
Falling in the sun
Where are you now?

A tv burns
A hollow room
I cleaned it up
And now i don't know what to do
I'm just lying down

And babe
You were the light
And now
You are the dark

I guess i live
Up in my head
I call you up
But my phone is dead
And now it's too much

The doctor said i need a cure
But what i got
He's not really sure
And i won't say much

And babe
You were the light
And now
You are the dark

And babe
You were the light
And now
You are the dark
