

# If You Stay

Joseph Vincent

I was standing on the other side  
Watching you leaving  
I couldn't see you go  
You know that I was so sincere when  
I said I need you here  
'Cause this is your home now  
You're the one my everything  
If you stay you'll make me sing

Chorus:

I'll give you my life  
I'll give you my heart  
Nothing will ever come between us  
Ever come between us  
Tonight, I'll show you the way  
Just (promise me that you'll) promise me that you'll  
stay  
Promise me that you'll stay

When you're with me I feel so alive  
You're the Bonnie to my Clyde  
We can paint the town  
But you're so far. You're so far  
And that can't even hold me down  
You're the one my everything  
If you stay you'll make me sing

Chorus:

I'll give you my life  
I'll give you my heart  
Nothing will ever come between us  
Ever come between us  
Tonight, I'll show you the way  
Just (promise me that you'll) promise me that you'll  
stay  
Promise me that you'll stay

And I know that I found so true  
You are to me as I am to you  
And I know that we can't just stay  
Even though we ain't together  
Our love still remains

Chorus:

I'll give you my life  
I'll give you my heart  
Nothing will ever come between us  
Ever come between us  
Tonight, I'll show you the way  
Just (promise me that you'll) promise me that you'll  
stay  
Promise me that you'll stay
