

S.A.D. (Single Awareness Day)

Joseph Vincent

VERSE 1

I feel that I should tell ya
A warning to prepare you
About this song, it's when love goes wrong, but I'll carry on

I gotta keep it real
Of how I really feel
About this day, I don't want it to stay, so please go away

PRE-CHORUS

When cupid aimed his arrow at me
He missed by a 100,000 feet

CHORUS

This ain't a song about love, it's actually the opposite I'm th
inkin' of
I don't care about the cards, or candy hearts, oh no no no I'll
tell you
right from the start
Oh, reminds of how I don't have a date, the 14th of February ge
ts in the
way cause for me, It's Single Awareness Day

With all the red and pink
It's just so hard to think
Oh why should I care, about what I should wear, for nobody who'
s there

I need love,
I need you
I need some one to hold me too

I need love
It's so true
I need ya to say I love you

CHORUS

S.A.D No valentine for me
And Imma be alright if you could only see
That today's just a day and if it's meant to be
There's always next year, just wait and see

Chorus
