

Set You Free

Joseph Vincent

Don't stop
Move it, move it
I just love the way you do it
Baby, when you walk in the club
See these eyes, they staring back
Giving me a heart attack
Girl, I know you're looking for love

But you won't, you won't
Find what you're looking for
Cause your heart, your heart
Is always needing more

Oh, cause your heart is looking for love
You're looking in the wrong place
You'd be better off looking my way
Through the day
Into tonight
Cause love is all you need, yeah
And you can find it from me
Oh no, no, no, no
Oh no,
I'm here to set you free

I'm here to set you
Set you free

I see you talking to another guy
And it doesn't feel alright
Cause baby he can't do it from you
So take a step right over here
And I'll make it very clear
You only gotta follow my rules

I said you gotta, you gotta be down
To always be messing around
Keep tearing up this dance floor, you'll see
We dancing and dancing
We keep on moving and moving
And by tonight, oh baby leaving with me

And I know, I know
What I have to do
Cause my heart, my heart
Has been longing to find you

Oh, cause your heart is looking for love
You're looking in the wrong place
You'd be better off looking my way
Through the day
Into tonight
Cause love is all you need, yeah
And you can find it from me
Oh no, no, no, no
Oh no,
I'm here to set you free

Free from all the lies
Free from all the pain
Free to tell you why, oh why
Oh, never gonna let you
Never gonna let you
Never gonna let you down

Cause your heart is looking for love
You're looking in the wrong place
You'd be better off looking my way
Through the day
Into tonight
Cause love is all you need, yeah
And you can find it from me
Oh no, no, no, no
Oh no,
I'm here to set you free
