When You're In Love - Joseph Vincent Verse 1: You, you I've been fighting for You can't be defeated, When you're In Love You, you've been craving for You know that you need it, When you're in love. Verse 2: You, you I've been searching for You know you can find it When you're in love. You, oh you've been waiting for Waiting for the chance to make your move It started off with just one look. Chorus: I can't describe this feeling, It's a moment, a chance, it's a time to dance It's the first time we locked lips and now; I, I feel like I am dreaming That's why-y-y I can't get enough That's how it feels when you're in love Woah-oh-oh (3x) Verse 3: You, you have been fallin, fallin, fallin Fallin for the one who'd catch you before you'd hit the ground You won't ever get that one, unless you go and make your move, it started off with just one look. Chorus: I can't describe this feeling, It's a moment, a chance, it's a time to dance It's the first time we locked lips and now; I, I feel like I am dreaming That's why-y-y I can't get enough That's how it feels when you're in love Oh-oh-oh (3x) *instrumental* That's why-y-y I can't get enough (3x) That's how it feels when you're in love
