

## My Texas

Josh Abbott Band

If you haven't climbed up to Enchanted Rock,  
Drank a cold Shiner down in Luckenbach,  
Taken your baby to the River Walk,  
Then you ain't met My Texas yet.

If you haven't floated down the 'Ol Frio,  
Heard Red Dirt music on your radio,  
Eaten Cooper's down in Llano,  
Then you ain't met My Texas yet.

You haven't been to the Houston rodeo,  
Sang "Carry On" at a Pat Green show,  
If you ain't seen an Abilene sunset,  
Then you ain't met My Texas yet.

If you never caught a trout down in Port A,  
Heard the words to Corpus Christi Bay,  
Never seen fireworks on PK,  
Then you ain't met My Texas yet.

Haven't had a kolache when you go through West,  
Never heard of the Larry Jo Taylor fest,  
Think polished pop country crap sounds the best,  
Then you ain't met My Texas yet.

You haven't been to the Ft. Worth stock show,  
Sang along with Cory Morrow,  
You ain't seen a hill country sunset,  
Then you ain't met My Texas yet.

You say you haven't hiked through Big Bend,  
Had your hair blown back by a Lubbock wind,  
Been somewhere where they call you "friend",  
Then you ain't met My Texas yet.

You haven't been to the San Antone  
Rodeo,  
Sang "Everclear" at a Creager show,  
If you ain't seen an El Paso sunset,  
Then you ain't met My Texas yet.

No, you ain't met My Texas yet!
