

Oh, Tonight

Josh Abbott Band

Verse 1

I grab your hand and you say "wait."
I say "no girl it's way too late."
We've been playing games for weeks,
now I'm ready to play for keeps.

Chorus

Oh, tonight, we're gonna set the world on fire.
I'm gonna set aside my pride.
Not gonna be the one to say "goodbye,"
Neither am I...Oh, tonight.

Verse 2

So go on kiss me on the mouth.
You know you want to; you should've done it by now.
Girl you don't know how long I've tried,
been fighting feelings deep inside.

Bridge

So tell me what you want me to do.
Oh, it's too late baby I've already fallen in love with you.
