

## Farther Along

Josh Garrels

Farther along we'll know all about it Farther along we'll understand why  
Cheer up my brothers, live in the sunshine We'll understand this, all by and by

Tempted and tried, I wondered why The good man died, the bad man thrives  
And Jesus cries because he loves em' both We're all cast-aways in need of ropes  
Hangin' on by the last threads of our hope In a house of mirrors full of smoke  
Confusing illusions I've seen

Where did I go wrong, I sang along To every chorus of the song  
That the devil wrote like a piper at the gates Leading mice and men down to their fates  
But some will courageously escape The seductive voice with a heart of faith  
While walkin' that line back home

So much more to life than we've been told It's full of beauty that will unfold  
And shine like you struck gold my wayward son That deadweight burden weighs a ton  
Go down into the river and let it run And wash away all the things you've done  
Forgiveness alright

Chorus

Still I get hard pressed on every side Between the rock and a compromise  
Like the truth and pack of lies fightin' for my soul And I've got no place left to go  
Cause I got changed by what I've been shown More glory than the world has known  
Keeps me ramblin' on

Skiping like a calf loosed from its stall I'm free to love once and for all  
And even when I fall I'll get back up For the joy that overflows my cup  
Heaven filled me with more than enough Broke down my levee and my bluff  
Let the flood wash me

And one day when the sky rolls back on us Some rejoice and the others fuss  
Cause every knee must bow and tongue confess That the son of god is forever blessed  
His is the kingdom, we're the guests So put your voice up to the test  
Sing Lord, come soon

Chorus
