

## Edge Of Desire

Josh Gracin

So young and, full of running  
Tell me where has it taken me..  
Just agreed, figured you'll need a tiny infinity  
Love is really nothing but a dream that keeps waking me  
With all of my trying, still end up dying,  
Well how can it be

Don't say a word just come over and lie here with me  
Cause I'm just about to set fire to everything I see  
I want you so bad, I go back on the things I believe  
There I just said it, I'm scared you'll forget about me

So young and full of running,  
All the way to the edge of desire  
Steady my breathing  
Silently screamin'  
I have to have you now

Wired and I'm tired  
Think I'll sleep in my clothes on the floor  
Maybe this mattress will spin on its axis and find me on your  
s

Don't say a word just come over and lie here with me  
Cause I'm just about to set fire to everything I see  
I want you so bad I go back on the things I believe  
There I just said it I'm scared you'll forget about me

Don't say a word just come over and lie here with me  
Cause I'm just about to set fire to everything I see  
I want you so bad I'll go back on the things I believe  
There I just said, I'm scared you'll forget about me
