

## Stay With Me (Brass Bed)

Josh Gracin

Baby, the clock on the wall is lying  
It's not really that late  
It's too cold outside to be walking around  
the streets of this town  
Anywhere if you think you have to be can wait

So why don't you stay with me?  
Share all your secrets tonight  
We can make believe the morning sun never will rise  
Come and lay your head on this big brass bed  
And we'll be alright as long as you stay with me, yeah

Baby, there's just no use in hiding  
The way that I am feeling right now  
With you standing there baby I swear I can't help but stare  
Girl you're wearing me out, wearing me out

Baby why don't you stay with me?  
Share all your secrets tonight  
We can make believe  
the morning sun never will rise  
Come and lay your head on this big brass bed  
We'll be alright as long as you stay with me

Baby don't go it looks like it's starting to rain  
And it's so warm here in this apartment wrapped up in this blanket

So Stay

I'll be all right as long as you  
Stay with me
