

# More of You

Josh Groban

I don't look at you, I stare  
I can't breathe, you stole my air  
But I want more of you  
I want more of you  
I'm not impressed, I'm amazed  
I write your name on every page  
I want more of you  
I want more of you

No I don't like you, I love you  
I don't want you, I need you  
I need more of you  
I need more of you  
I don't miss you, I crave  
We're not coincidence, we're fate  
Still I want more of you  
I want more of you  
You, you

It's more than a spark, it's raging fire  
You're my muse and I'm so inspired  
I want more of you  
I want more of you  
I'm not just free now, I am saved  
All my defenses have been betrayed  
I want more of you  
I want more of you

And I don't like you, I love you  
I don't want you, I need you  
I need more of you  
I need more of you  
I don't miss you, I crave  
We're not coincidence, we're fate  
Still I want more of you  
I want more of you

And if it's all too much too soon  
I'll take my time  
As long as I get more of you

'Cause I don't like you, I love you  
I don't want you, I need you  
I need more of you  
I need more of you

I don't like you, I love you  
I don't want you, I need you  
I need more of you  
I need more of you  
I don't miss you, I crave  
We're not coincidence, we're fate  
Still I want more of you  
I want more of you  
You, you
