

## She Moved Through the Fair

Josh Groban

My own love said to me  
My mother won't mind  
And my father won't slight you  
For your lack of kind  
She went away from me  
And this she did say  
It will not be long  
Till our wedding day

She went away from me  
And she moved through the fair  
And slowly I watched her  
Move here and move there  
She went her way homeward  
With one star awake  
As this swan in the evening  
Moves over the lake

I dreamed last night  
That my own love came in  
She came in so sweetly  
Her feet made no din  
She came close beside me  
And this this she did say  
It will not be long love  
Till our wedding day
