

A Call Away

Josh Kelley

I'm just a call away
Somebody tell me that you're okay
If I could rest in your arms today
Then I would feel like I'm home

You're just so far away
I wish there was something I could say
If I could rest in your arms today
Then I would feel like I'm home

I'm taking your alibi
To the spot where we used to hide
If you could tell me wrong from right
Maybe it's time to come home

It is that time of night
To make sure that you are alright
If I could rest in you arms tonight
I would feel like I'm home

I'm taking your alibi
To the spot where we used to hide
If you could tell me wrong from right
Maybe it's time to come home

You're so great that I can rest assure
That you're truly mine
It's so nice to finally find someone
That is truly kind

I'm taking your alibi
To the spot where we used to hide
If you could tell me wrong from right
Maybe it's time to come home

If you could see me now
Then you'd know what I'm all about
And you could rest in my arms tonight
And you would feel like you were home

I'm taking your alibi
To the spot where we used to hide
If you could tell me wrong from right
Maybe it's time to come home
