

# Gone Like That

Josh Kelley

Why'd he have to look so beautiful?  
Why'd she have to pick this place?  
I hope she brought an explanation  
I hope she doesn't look my way

Cause it would be hard to say hello to her  
When she never said goodbye  
It would take every bit of strength I've gained to not get lost  
In those eyes

Oh but I can't take another gone like that  
Take another hurt so bad that  
I can't breathe, I can't sleep, don't wanna eat  
And I won't take another where she goin'  
Take another all alone  
Man I want her back, but I can't take another gone like that  
I can't take another gone like that, no

She came up on me like a flood  
She wiped out everything I knew  
Now i'm just barely treading water, last thing I need to do  
Is reach for you,  
Oh but I can't take another gone like that

Can't take another hurt so bad that

I can't breathe, I can't sleep, don't wanna eat  
And I won't take another where she goin'  
Take another all alone  
Man I want her back, but I can't take another gone like that  
I can't take another gone like that, no

Now she's walking my direction, I might be lonely  
And this is tempting  
Oh now I can't take another gone like that  
Can't take another hurt so bad that  
I can't breathe, I can't sleep, I can't even eat  
No I won't take another where she goin'  
Take another all alone  
Man I want her back, but I can't take another gone  
Yes some times I want her back  
But I can't take another gone like that  
No, I can't take another gone like that  
I can't take another gone, no, no  
No, no, no, no, no, no, no, no yeah, yeah, wo whooo
