

# Hard Times Happen

Josh Kelley

The day you walked into my life  
Was like a hurricane inside  
I couldn't walk, I couldn't talk  
It happened to me

I took you deep inside my world  
I made you want to be my girl  
You couldn't walk, you couldn't talk  
You know it happened to you

Well let me tell you now  
Hard times happen  
Can you hear fate saying  
Told you so, look at you now  
Do you really wanna wanna give in, give in, Lord?

This time around  
There's no way I can let you down  
Cause I'm here and I plan to stay  
I've seen the other side  
Your light shines brighter than the best  
I want you for the rest of my days

Thought I was better off alone  
Keep it simple, I've been told  
Cut the line, you'll have more time for fooling around

But I was blind to let you go  
I came back to let you know  
I couldn't walk, I couldn't talk, without my baby by my side

Hard times happen  
Can you hear fate saying  
Told you so, look at you now  
Do you really wanna wanna give in, give in, Lord?

This time around  
There's no way I can let you down  
Cause I'm here and I plan to stay  
I've seen the other side  
Your light shines brighter than the best  
I want you for the rest of my days

I am no saint  
I know you think I could never change  
Another hopeless case in Hollywood  
But you've saved me from myself  
You've conquered me  
And I will have nothing less than all of you

Help me momma, it's cold outside

Oh this time around  
There's no way I can let you down  
Cause I'm here and I plan to stay  
Oh I've seen, I've seen the other side  
Your light shines brighter than the best

I want you for the rest of my days

I want you for the rest of my days, baby

I want you for the rest of my days, baby

I said I'm sorry

I'm sorry, sorry, sorry

There's no way I can let you down

Your light shines brighter than the best

There's no way I can let you down

Your light shines brighter than the best

I'm sorry, I'm sorry, I'm sorry baby
