

## Small Town Boy

Josh Kelley

Everyone wants to be a small town boy  
With big town dreams in a small town world  
So I express your fears to a fresh pair of ears  
And I'll tell you once and then make you steer

Cause I already know  
Cause I already know

Image is dead for the price of your sight  
So they'll say, then change your mind  
Express your tears to a new found fear  
And trust the one with the following cheer

Cause I already know  
Cause I already know

Let's get out of here  
Let's get out of here

So this is your change, don't mess it up  
Cause everyone is watching  
You know everyone is watching you

So this is your dance  
Make of it what you will  
Cause you know everyone is watching you

Let's get out of here  
Let's get out of here...
