Small Town Boy

Josh Kelley

Everyone wants to be a small town boy
With big town dreams in a small town world
So I express your fears to a fresh pair of ears
And I'll tell you once and then make you steer

Cause I already know
Cause I already know

Image is dead for the price of your sight
So they'll say, then change your mind
Express your tears to a new found fear
And trust the one with the following cheer

Cause I already know
Cause I already know

Let's get out of here
Let's get out of here

So this is your change, don't mess it up
Cause everyone is watching
You know everyone is watching you

So this is your dance
Make of it what you will
Cause you know everyone is watching you

Let's get out of here
Let's get out of here...
