

The Best Of Me

Josh Kelley

They can talk behind my back, and lie about me
Take my money, take my pride
They can kick me down and
break every bone in my body
Force tears from my eyes

But they can't get the best of me,
The best of me, the best of me
Can't get the best of me,
The best of me, the best of me
Cause I got you, cause I got you

I got demons all around me
I hear them whisper in the night
Trying to break me down
but they ain't got a prayer
With this angel by my side

They can't get the best of me,
The best of me, the best of me
Can't get the best of me,
The best of me, the best of me
Cause I got you, cause I got you, uh

Oh, I can't explain what you do
I just know when I'm with you I'm better
Baby, I'm better, yeah
You give me the strength I need
To be the man I wanna be
I'm better, baby I'm better, yeah

Cause you're the best of me
The best of me, the best of me
Can't get the best of me,
The best of me, the best of me
Cause I got you, cause I got you
Cause I got you
Cause I got you, ohh
I got you
