

How much do you think
How many tears do I have to drink
How much do I have left
How much blood in one man's chest

Darlin' when will you let me call you
Darlin' won't you let me call you Darlin'
Please?
Darlin' when will you let me call you Darlin'
Won't you let me call you Darlin'
It's what I need

How much do you want
Does it depend on what I got
How much longer can this go
If I'm not sure and you don't know

Darlin' when will you let me call you
Darlin' won't you let me call you Darlin'
Please?
Darlin' when will you let me call you Darlin'
Won't you let me call you Darlin'
It's what I need

Darlin'
Darlin'
I'm just out here ringin' bells
Darlin'
Darlin'
How'm I supposed to prove myself
If you won't let me prove myself?
