

## Darlin'

Josh Ritter

How much do you think  
How many tears do I have to drink  
How much do I have left  
How much blood in one man's chest

Darlin' when will you let me call you  
Darlin' won't you let me call you Darlin'  
Please?  
Darlin' when will you let me call you Darlin'  
Won't you let me call you Darlin'  
It's what I need

How much do you want  
Does it depend on what I got  
How much longer can this go  
If I'm not sure and you don't know

Darlin' when will you let me call you  
Darlin' won't you let me call you Darlin'  
Please?  
Darlin' when will you let me call you Darlin'  
Won't you let me call you Darlin'  
It's what I need

Darlin'  
Darlin'  
I'm just out here ringin' bells  
Darlin'  
Darlin'  
How'm I supposed to prove myself  
If you won't let me prove myself?
