

Nothing Gives Me Pleasure

Josh Rouse

Time, you should set aside some time for yourself
Time for just you and no one else,
time to figure out what's for the best,
for both of us

Home, home is where I always want to be,
home is there for you and is for me,
home is where I never want to leave

And don't you know

Nothing gives me pleasure like you do,
nothing has the strength to pull me through,
nothing gives me pleasure like you do,
I've always been the one to follow you

In town to see this man,
he asks me how I've been,
he can see I'm out of frame,
a wish that never came

This vehicle is stalled,
the engines not that strong,
I wait to be picked up,
you grace me with your touch

And don't you know

Nothing gives me pleasure like you do,
nothing has the strength to pull me through,
nothing gives me pleasure like you do,
I've always been the one to follow you

You, you're so sure
and I, I want to be sure

And don't you know

Nothing gives me pleasure like you do,
nothing has the strength to pull me through,
nothing gives me pleasure like you do,
I've always been the one to follow you
