

Suburban Sweetheart

Josh Rouse

Got a gift, hesitate
Never make the same mistakes
If you could only be a person
If you could only reach the man, yeah

We could move back to the suburbs
Rent a house, change our name
If you could only find a purpose
If you could only stay the same, yeah

Sweetheart, sweetheart, sweetheart
I could help you open and unfurl

Shut up and listen
Shut up, you talk too much
You're my source for inspiration
You're my hopes for retire

Plan a trip, get away
Never make the same mistakes
If you could only be a person
If I could only be a man, yeah

Sweetheart, sweetheart, sweetheart
I could help you open and unfurl
And unfurl, and unfurl

Sweetheart, sweetheart

Got a gift, don't hesitate
Never make the same mistake
Sweetheart, sweetheart, unfurl, unfurl
Don't go change your color, change your color
