

Why Won't You Tell Me What

Josh Rouse

Why won't you tell me what?
Why won't you tell me what?
What's going on with you?
Why won't you tell me what?
Why won't you tell me what?
What's going on with you?

Sparkling eyes, you're trying to hide
I've seen those tears before, I don't think I like them
Give me a sign, some kinda sign
To bring me back around to your way of thinking

Why won't you tell me what?
Why won't you tell me what?
What's going on with you?
Why won't you tell me what?
Why won't you tell me what?
What's going on with you?

Wasting my time, my precious time
Whatever it is I wish you'd up and say it
Give me a sign, some kinda sign
To bring me back around to your way of thinking

Why won't you tell me what?
Why won't you tell me what?
What's going on with you?
Why won't you tell me what?
Why won't you tell me what?
What's going on
What's going on with you?
