

Wonderful

Josh Rouse

Often times I sit and wonder
As I gaze out over yonder
I'm so crazy about you
So crazy and it's true

I think you're wonderful
Don't change
I think you're wonderful
Don't change your ways
I think you're wonderful
Don't change your ways at all

It is the morning love you have found me
Reading the paper with my coffee
And before you must go
There's one thing you must know

I think you're wonderful
Don't change

I think you're wonderful
I think you're wonderful
I think you're wonderful
Don't change at all
