Josh Todd

Trying hard to be aware even when I know the sky s falling  
Terror cried to me she s scared wanna run away but she s stalli  
ng  
And the weather is strange it keeps raining everyday  
I keep walking away from the place in the cage where I feel lik  
e I m stuck on the same path I

Followed working hard to try and break the chain  
Better to see you, better to see you  
Now I got a feeling nothing will slow you  
Always Afraid

Does the pain you kill change the way you feel  
Always Afraid  
I ran into a friend today he wanted me to know you were sorry  
I didn't know what to say I want to hear your side of the story

I keep walking away from the place in the cage where I feel lik  
e I'm stuck on the same path I followed working hard to try and  
break the chain  
Better to see you, better to see you  
Now I got a feeling nothing will slow you

Always Afraid
