Burn

Josh Todd

Burn! burn you got that, burn, burn Oh mother please inform me what keeps tearing you apart Did someone squeeze the life out of you and Has father been drinking nightly did he hurt you with his mouth This time I'm gonna make him think again Burn Days and nights take a turn Burn Days and nights take a turn It's taken a lifetime Please let me tell the story they had a fallen out This time she heard voices calling as Gaseoline fills the bedroom as father passes out and one match means the nightmares over Burn Days and nights take a turn It's taken a lifetime She sat down ans wrote a letter broken down and in distress she had to make things better So she decided to destroy the family Without a dought destroy the family, destroy the famil! Burn Days and nights take a turn It's taken a lifetime Burn Days and nights take a turn It's taken a lifetime Oh mother please inform me what keeps tearing you apart Did someone squeeze the life out of you and Has father been drinking nightly did he hurt you with his mouth

This time I'm gonna make him think again Burn
