Mind Infection

Josh Todd

Lately I've been thinking about stepping up to my infection –
I never get enough, I never get enough, a reoccurring mind infe
ction –
We can, we can always see the mind infection makes you think an
d you believe your own deceptions –
And now you got it bad –
And now you got it bad –
And now you got the mind infection…. –
Infection! –
Outside I'm frustrated and struggle with my inside monster mayh
em –
(Pre-chorus) –
(Chorus) –
Now you got the mind infection fucking with your own deception
yeah, infection yeah… –
(Chorus) –
