

Time Is Love

Josh Turner

I know I gotta put in the hours,
Make the money while the sunlight shines
But anything I gotta get done,
It can get done some other time

Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run

I only get so many minutes,
Don't wanna spend 'em all on the clock
In the time that we spent talkin',
How many kisses have I lost?

Time Is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run.

Gotta fly
Fly
Before one more moment
Gets by...

Time Is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be

Time is love, gotta run,
Love to hang longer,
But I got someone who waits,
Waits for me and right now
She's where I need to be,
Time is love, gotta run.

Time is Love, gotta run...
