Carry Me

Josh Wilson

I try to catch my breath It hasn't happened yet I'm wide awake in the middle of the night scared to death So I prayed God, would You make this stop Father please hold on to me, You're all I've got

Carry me, carry me, carry me now From my sinking sand to Your solid ground The only way I'm ever gonna make it out Is if You carry me, carry me, carry me now God carry me, carry me, carry me now

Jesus calm my heart Come near me please Lord don't let these worries get the best of me Oh I believe, that You're still here with me Cause You meant what You said when You said You'd never leave

Carry me, carry me, carry me now From my sinking sand to Your solid ground The only way I'm ever gonna make it out Is if You carry me, carry me, carry me now God carry me, carry me, carry me now

Carry me God carry me God carry me

I'm at the end of myself I know I've got nothing left Feels like I'm stuck in the valley of the shadow of death And I've been down here so long I just can't find my way out Oh God I don't stand a chance Unless You carry me now God carry me now

Carry me, carry me, carry me now From my sinking sand to Your solid ground The only way I'm ever gonna make it out Is if You carry me, carry me, carry me now God carry me, carry me, carry me now

Carry me now Carry me now Carry me now Carry me now
