

# Cry Myself to Sleep

Joss Stone

I could hardly speak  
Cause you stood on every word  
That I muttered  
I looked at you and lied with my lips  
I thought that I loved you  
While my soul was asking why  
Why I'm not surprised  
I lost my faith in the truth  
And in turn I lost you  
I won't cry myself to sleep no  
Stop before it starts  
Gonna find myself a pain  
And write down my heart

I won't cry myself to sleep no  
Don't let it go too far  
Put in down on paper  
The reason we're apart

Ah, where it's tough to see  
To understand a girl like me  
I find it hard to say  
Anything I'm feeling  
So I will concentrate  
The hurt I live and breathe in

So I won't  
I won't cry myself to sleep no  
Stop before it starts  
Gonna find myself a pain  
And write down my heart  
I won't cry myself to sleep no  
Don't let it go too far  
Put in down on paper  
The reason we're apart

Oh yeahh  
Is there a good reason?

I won't cry myself to sleep no  
Stop before it starts  
I gonna find myself a pain  
Yes I will  
I won't cry myself to sleep no  
Don't let it go too far  
Put in down on paper  
I won't...

So I'm letting you go  
I'm letting you go  
Yes I am  
I won't...  
I won't cry myself to sleep no
