

I Don't Want to Be with Nobody but You

Joss Stone

Bet you think that I don't love you, baby
Bet you think that I...
I don't care
But I wanna tell you
that you got something
And I'm loving it with all my heart
I don't ever wanna part

I don't wanna be with nobody but you
No, no
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man
(Come on and rock me)
Rock me in your arms because I know you can

Don't you know that you can call on me, baby)
All you gotta do is say you will
'Cause I'm ready just to love you
And put an end to all your doubts
I know we can work it out

I don't wanna be with nobody but you
No, no
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man
Yes I do
(Come on and rock me)
Rock me in your arms like I know you can

Man, I love you
So, put an end to your fantasy,
or you just might
You just might blow it all

Get yourself together
and baby, when you do
You're gonna see, you're gonna see that I'll be true to you

I don't wanna be with nobody but you
No, no
I don't wanna be with no-one but you
I wanna to be wrapped up
in the arms of my loving man
(Come on and rock me)
Rock me in your arms because I know you can
Rock me in your arms because I know you can
(Come on and rock me)
I don't wanna be with nobody but you
I don't wanna be with nobody but you
No, no, no
I don't wanna be, no, with no-one but you

I wanna to be wrapped up
in the arms of my loving man
(Come on and rock me)

Rock me in your arms because I know you can

I don't wanna be with nobody but you

I don't wanna be with nobody but you

No-one but you

No-one but you

It's all about you

Just rock me in your arms

Rock me in your arms because I know you can

Why don't you rock me

Rock me in your arms because I know you want to

Come on and hold me

Rock me in those arms, baby

Come on and love me

Come on and love me

Rock me in your arms because I know you can

Rock me in your arms because I know you want to
