

# The Right Time

Joss Stone

You know the night time  
Is The Right Time  
Oh, to be with the one you love  
Oh baby baby baby yeah  
You know who I'm, who I'm thinking of, yeah  
Baby you know the night time is The Right Time  
To be with the one you love,  
with the, with the one you love

If my mother has been gone  
And my father left his poor child crying  
Oh baby baby baby  
Come on, baby baby baby  
I want you to be my lover  
And keep me satisfied  
You know the night time is The Right Time  
To be with the one you love  
With the, with the one you love

I said baby  
Ooh baby  
Oh baby  
Ooh baby  
You know that I love you  
You know I'm thinking of you  
I place no one above you  
I place no one above you

Just hold me tight  
Come on, come on squeeze me  
Squeeze me baby, tease me baby  
Squeeze me baby

Said baby  
Said oh oh baby  
You know that the night time is The Right Time  
To be with the one you love  
Squeeze me as tight as you can  
Tight as you can

I wanna show you I don't want no other man  
I don't need no other man  
Just hold my hand  
As tight as you can  
Tight as you can

Baby the night time is The Right Time  
To be with the one you love,  
The one you love,  
It's The Right Time

Baby baby baby  
I said baby baby baby  
Just hold my hand as tight as you can  
I don't need no other man  
If you hold my hand  
You know that the night time

Oh, is The Right Time, to be with the one you love

Mhh hmm mmm hmm hmmmh hmm

baby you drive me crazy

Squeeze me squeeze me tease me baby

Baby the night time is The Right Time

To be with the one you're in love with

With that only one you're in love with
