

Then You Can Tell Me Goodbye

Joss Stone

Kiss me each morning for a million years
Hold me each evening by your side
Tell me you love me for a million years
Then if it don't work out
Then If it don't work out
Then you can tell me goodbye

Sweeten my coffee with a morning kiss
Soften my dreams with your sigh
Tell me you love me for a million years
Then if it don't work out
Then if it don't work out
Then you can tell me goodbye

If you must go I won't grieve
But just wait a lifetime
Before you leave, please

Then if you must go I won't tell you no
Just so we can say that we tried
Tell me you love me for a million just a million years
Then if it don't work out
Then if it don't work out
Then you can tell me goodbye

Then you can tell me goodbye

You can tell me goodbye

Goodbye
