

# While You're Out Looking for Sugar

Joss Stone

How long can I go on amusing myself  
Night after night sitting all alone  
While you're in the arms of someone else  
Don't you know that

While you're out looking for sugar  
Somebody's gonna take your honey and be gone  
While you're out looking for sugar  
Somebody's tryna take your honey and be gone  
You just buzz buzz buzz buzz, here and there  
Uh oh everywhere

You think you're the sugar oh daddy with a candy kiss oh yeah  
You think about your love and baby I just can't exist mhm

But while you're out looking for sugar  
Somebody's gonna take your honey and be gone  
While you're out looking for sugar  
Somebody's tryna take your honey and be gone

Well how can I be faithful?  
Truly, I don't know  
If I find myself in the arms of someone else  
Is all your fault

While you're out looking for sugar  
Somebody's gonna take your honey and be gone  
While you're out looking for sugar  
Somebody's tryna take your honey and be gone  
Buzz buzz buzz buzz, buzz buzz buzz buzz

You sneak across the floor baby with your shoes right in your hands  
Well how much more do you think I can stand?

While you're out looking for sugar  
Somebody's gonna take your honey and be gone  
While you're out looking for sugar  
Somebody's tryna take your honey and be gone

While you're out looking baby  
While you're out looking baby  
While you're out looking for sugar  
You got some honey at home  
She's all alone

While you're out looking for sugar  
Somebody's gonna take your honey and be gone  
While you're out looking for sugar  
Somebody's tryna take your honey and be gone  
Gone gone gone gone gone... oh gone  
Take it right
