

Hold on, hold on
To opportunities you thought long gone
Hold on, hold on
To the could-have-beens and should-have-dones

You can lose yourself along the way
Find there's something new in yesterday

Hold onto your faith and your dreams
Look into yourself and believe
In you

Oh, go on, go on
The stars will guide your journey home, yeah
Oh, it won't be long
'Til you see your diamonds in the stone, yeah

'Cause there's still some magic here tonight
If you just step out into the light

Hold onto your faith and your dreams
Look into yourself and believe

I believe in you, believe in me
I believe in you, believe in me
I believe the truth will set you free, yeah
I believe in you, believe in me

I believe in you, believe in me

(Hold on) Hold on, hold on
To your innocence and your beliefs
Mmm, hold on, hold on
Onto who you are and where you've been

I believe in you, believe in me, yeah
I believe in you, believe in me
Oh, I believe the truth will set you free, yeah, yeah
I believe in you, believe in me

Oh I believe in you, believe in me
Oh I believe in you, believe in me
Yeah I believe the truth will set you free
Oh, I believe in you, believe in me
Oh, whoa, oh yeah, oh yeah

I believe in you (I believe in you)
Darlin', believe in me (Darlin', believe in me)
I believe in you (I believe in you)
Darlin', believe in me (Darlin', believe in me)
