City of the Angels

City of the angels City of the angels

Walkin' and talkin' and laughin' about Dreamin' the things that you won't will work out People in places where you want to be I'm lost in the city, who's got the key?

City of the angels Ooh, I hear you callin' me City of the angels

I've got this feelin' that things will work out I've got this feelin', and there ain't no doubt I'm holdin' on, hopin' to find Life in this city can bring peace of mind

City of the angels Ooh, I hear you callin' me City of the angels

City of the angels Oh, I hear you callin' me City of the angels Just like, just like it used to be, yeah City of the angels

I'm goin' home, home yeah
Bye-bye bye-bye
Oh, bye-bye, bye-bye, bye-bye, yeah, yeah
I'm leavin', ohh, ohh, I'm goin' home
I'm fainting, I'm leavin', leavin' ohh
