

# Dead or Alive

## Journey

A double secret agent  
And he was paid to kill  
With cold steel magnum force is  
how the man possessed the skill

He shot a man in Paris  
He did a job in L.A.  
And if the price was right, he'd surely  
Take your life away

[Chorus:]

Wanted, dead or alive, blood for money, money  
Assault, homicide, blood for  
money, money, money, money  
Wanted

He drove a Maserati, lived up in the hills  
A cat with nine lives that's gone  
Too far to feel the chill  
He never thought it'd happen  
It was his last mistake  
'Cause he was gunned down by a  
heartless woman's 38.

[Chorus]
