

Dixie Highway

Journey

I said, "What you want to do? Would you like to be with me?
Well I'll meet you back stage, baby, love is feelin' fancy and free
We'll rock the night away down by the Dixie Highway
Yeah, by the Dixie Highway"

My love, my love
Movin' to the left now, movin' to the right
My love, my love
Ooh soft and tender, ooh so tight

My love, my love
Oh, oh, ooh, Dixie Highway
I don't care what you want to be, baby
Long as you're happy and free

She said, "That's quite all right, I think I'll spend the night
Well I want to hold you, Stevie, I want to hold you tight
We'll rock the night away down by the Dixie Highway
By the Dixie Highway"

My love, my love
Rockin' and a rollin' the night away
My love, my love
Ooh, makin' love till the break of day

My love, my love
Oh, oh, ooh, Dixie Highway
I don't care what you want to be, baby
Long as you're happy and free

Baby, oh, girl, you drive me crazy, baby
Baby, oh, girl, you drive me crazy, baby
I want to hold on you, come on you
Love with you all the night

Foolin' who do you think you're foolin', baby?
Oh, baby, baby, baby, baby, who do you think your foolin', baby?
You want to hold on me, love on me
Love with me all the night

...

My babe, move it to the left, now move it to the right, all night, all night
... makin' love so sweet ...
My love, ooh, yeah, Dixie Highway
I wish I was in Dixie, Dixie, Dixie
