

1. Highway run
Into the midnight sun
Wheels go 'round and 'round
You're on my mind
Restless hearts
Sleep alone tonight
Sendin' all my love
Along the wire

X: They say that the road ain't no place to start a family
Right down the line it's been you and me
And lovin a music man ain't always what it's supposed to be

R: Oh girl, you stand by me
I'm forever yours,
Faithfully

2. Circus life
Under the big-top world
We all need the clowns
To make us smile
Through space and time
always another show
wondering where I am
lost without you

X: Being apart aint easy on this love affair
two strangers learn to fall in love again
I get the joy of rediscovering you
