

# It's All Too Much

Journey

Wow

It's all too much for me to see  
The love that's shining all around you  
It's everywhere, it's what you make  
For us to take each other's love

It's all too much for me to see  
The love that's shining all around me  
The more I am, the less I know  
And what I do, is live for love

Hey hey hey hey  
Oh, no no no no no  
Yeah hey hey hey  
Alright

Wooh, yeah, yeah  
It's all too much  
It's all too much, it's all too much

It's all too much for me to see  
The love that's shining all around you  
It's everywhere, it's what you make  
For us to take each other's love

It's all too much for me to see  
The love that's shining all around me  
All the world is built in hate  
So take a piece of my true love

It's all too much, it's all too much  
It's all too much, it's all too much  
It's all too much, it's all too much, wow  
It's all too much, it's all too much  
It's all too much
