Once You Love Somebody

Two young hearts lost in love they vow to stay Running wild they believe they've found a way

Filled with hope She's the dream she understands you Now this time he'll hold on she'll never leave him They'll never let go 'cause

(chorus) Once you love somebody (once you love) there's no turning back (turning back) It can burn forever It can haunt you haunt you in the night

How can lovers just turn and walk away? Loneliness is an edge that cuts both ways So easy to fall so hard to get over

(chorus)

(instrumental)

So easy to fall so hard to get over

(chorus)

(once you love somebody) Once you love (they can break your heart) No no no It can burn forever Letting go that's the hardest part (once you love somebody) (once you love somebody)
