

Only The Young

Journey

Another night in any town
You can hear the thunder of their cry
Ahead of their time
They wonder why

In the shadows of a golden age
A generation waits for dawn
Brave carry on
Bold and the strong

(chorus)
Only the young can say
They're free to fly away
Sharing the same desires
Burnin' like wildfire

They're seein' through the promises
And all the lies they dare to tell
Is it heaven or hell?
They know very well

(chorus)

(instrumental)

(chorus)

Only the young can say
Only the young can say
(young can say)
Only the young can say
Only the young can say
