## **Rubicon**

In this promised land fire burnin' in our hands The choice is ours to make realize your fantasy You live the dream with every step you take

Stand tall stand on the edge use the thin end of the wedge The will to cast your fate don't turn around too late Lose ground if we hesitate burning youth won't wait

(chorus)

Make a move across the rubicon the future's knockin' at your door Take your time and choose the road you want Opportunity is yours

See it all so clear time is right time is near We know now what to do All God's children learn which way to turn turning back we're through

We all refuse to lose live life and light the fuse burning youth won't wait
