

## Venus

## Journey

You could be from Venus  
I could be from Mars  
We would be together  
Lovers forever  
Care for each other

You could live in the sea  
And I could be a bird  
We would be together  
Lovers forever  
Care for each other

If you wear an illusion  
I will make it real  
We would be together  
Lovers forever  
Care for each other

If you walk in the sun  
I will be your shadow  
We would be together  
Lovers forever  
Care for each other
