

Walks Like a Lady

Journey

She walks like a lady,
With her tender charms
She moves like a lady
When I'm in her arms
She loves like a lady,
Lovin' all night long
She cries like a baby
When she's done something wrong

I told you once, yes, I told you twice
But you never listen to my advice
I catch you walkin' with that boy again
I'm gonna set you free.
Oh, I'm gonna set you free.

Loves like a lady,
So soft and slow
She feels like a lady,
Ooo, I can't let go
She smiles like a lady,
Smilin' all night long,
But cries like a baby
When she's done something wrong

I told you once, yes, I told you twice
But you never listen to my advice
I catch you walkin' with that boy again
I'm gonna set you free.
Oh, I'm gonna set you free.

Ooh, yeah

(Walks like a lady)
Oh, but she cries like a little girl
(Walks like a lady)
Yes, but she cries like a little girl
(Walks like a lady)
Walks like a lady
Cries like a little girl
