

Who's Crying Now

Journey

It's been a mystery
but still they try to see
why something good can hurt so bad
Caught on a one way street
the taste of bittersweet
Love will survive somehow, some way

(chorus)

One love feeds the fire
One heart burns desire
Wonder who's crying now
Two hearts born to roam
Who'll be the lonely one
Wonder who's crying now

So many stormy nights
So many wrongs or rights
Neither could change their headstrong ways
And in a lover's rage
they tore another page
The fighting is worth the love they save

(chorus)

Only so many tears you can cry
Till the heartache is over
And now you can say your love
Will never die

Whoa ooh oh ooh oh
Wah hoo oh hoo oh

(chorus)

(instrumental)
