Jovanotti

Baby baby di you wanna drive my car
Cause I can't get the licence I'm just a superstar
I got the black leather jacket an a basaball hat
I don't look at the words I just care for the facts

I just wear 501's with a cut on my knee
Sometimes I get drunk then I dance to the beat
I wanna rock I wanna funk wanna jack you up
Come on fly girls home boys don't stop

He he he he
I wanna see I wanna hear

Pump it up pump it up get off the wall
80's are you gone it's the 90's y'all
So com'n baby baby stay on the line
My name is Jovanotti gonna make you mine

Rock rock y'all you're body jam
Rocking to the rhythm o' the beat bam bam
Here we go let's rock let's pump it up
Yo yo yo don't stop
