

# Heaven Or Hell

Joy Denalane

We done come to a point  
Where it can't be denied no more  
I don't even understand  
What we're still in this for

I didn't mind the sacrifice  
To keep our love alive  
But somethin' died so long ago  
Just can't be revived

There comes a time you gotta face the situation  
And make a choice in life  
We're caught up in a state of hesitation  
And that just won't suffice

Don't get me wrong  
I done thought this through  
The way you hold me, used to console me  
Now all I feel is the emptiness in you

What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life with you  
What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life

Listen to me  
You sang my praises everyday  
You used to tell me how you needed me  
I know how proud you were that day  
I brought home my degree

But you had dreams and all I wanted  
Was for you to see them through  
And through it all, I forgot  
That I once had dreams too

I should have had the sense to pay attention  
'Cause somethin' told me to  
The road to Hell is paved with good intentions  
And Lord knows it's true

The years that I gave  
Where they all in vain?  
Used to adore me, now you ignore me  
How could I know we would end up this way?

What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life  
What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life with you

What hurts me most deep inside  
Now that I'm lettin' go, you seem surprised

I watched your back for so many years now  
You used to act like you were holdin' your career down

It's not the dreams I kissed goodbye  
It's that we used to be a team and now we live this lie  
What's past is past, now listen well  
I'm leavin' your ass 'cause I'm livin' in Hell

What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life  
What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life

What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life  
What do I believe in, Heaven or Hell?  
I don't believe in Heaven 'cause I'm livin' in Hell  
And that's my life
